

Isotherm RV Refrigeration

CRUISE 165, 219 & 271

CR 219

Based on many years of experience building high quality robust refrigeration products for the Marine Industry, Webasto is proud to release a dedicated range of RV compressor fridges.

The RV Line is a range of upright double-door refrigerators-freezers fitted with 12/24V Danfoss compressor.

The large capacity units are supplied with a freezer on top of a fridge with multiple shelves and vegetable bin.

The range is available in 3 sizes: Cruise 165, Cruise 219 and Cruise 271.

Product features:

- Two door Upright fridge-freezer
- Right or Left handed side opening possible
- Internal light in fridge compartment
- Mechanical thermostat
- 12/24V Danfoss compressor
- Optional AC/DC kit
- Internal light
- Freezer compartment at the top

CR 165

CR 271
